**The following is not covered under the Normal Viewscape Warranty**

Railroading of fabrics is not recommended. Railroaded blinds do not carry our normal warranty and are manufactured completely at the clients risk.

Roller blinds that have a width to drop ratio of 1:2.5 or more can present tracking issues when rolling up and down.

Viewscape will manufacture blinds at this ratio or above on customer request however it will not carry a manufacturer's warranty.

If an alternate drop is required, metal chain must be used. Metal chain is available on request at an additional cost of \$2.50 per blind. Stainless Steel chains are available on request at an additional cost of \$10.00 per blind.

**Digital Printing**

No longer available

Drops longer than 4200mm cannot be checked on the hoists and are not covered by warranty
