The following is not covered under the Normal Viewscape Warranty

Railroading of fabrics is not recommended. Railroaded blinds do not carry our normal warranty and are manufactured completely at the clients risk.

Roller blinds that have a width to drop ratio of 1:2.5 or more can present tracking issues when rolling up and down.

Viewscape will manufacture blinds at this ratio or above on customer request however it will not carry a manufacturer's warranty.

If an alternate drop is required, metal chain must be used. Metal chain is available on request at an additional cost of \$2.50 per blind. Stainless Steel chains are available on request at an additional cost of \$10.00 per blind.

Digital Printing
